This would include any changes your firm makes with DPMC as well as changes in ownership, financial condition, key people, safety records, disciplines, etc. Also note that your firm's status as a "prequalified firm" is always subject to review, and we reserve the right to change or revoke this prequalification status for cause at any time.

Firms like yours are critical to our success. Exciting opportunities are available for Small Business Enterprises (SBEs) in the Schools Construction Program. In order to enhance your participation in the program as an SBE-designated firm, the NJSDA is offering assistance in becoming registered as an SBE with the NJ Department of Treasury, Division of Minority and Women Business Development. Among other requirements, firms applying for SBE Registration must have fewer than 100 full-time employees.
